Bridge Deck Repairs on Southbound Interstate 55 over BNSF Railroad Tracks in Will County

CHICAGO – The Illinois Department of Transportation (IDOT) announced that the right lane has been closed on southbound Interstate 55 over the BNSF Railroad tracks, one mile south of Arsenal Road, in unincorporated Will County, for bridge deck repairs, on Friday, March 3.

Repairs will begin Saturday morning, and are expected to be completed by 2 p.m.. The bridge is located about eight miles south of Interstate 80 and four miles south of Channahon.

A recommended detour will direct southbound I-55 traffic to travel west on I-80 and south on Illinois 47 to rejoin with I-55 in Dwight.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
